WESTERN AUSTRALIA

Best Environmental Practice - PVC

Evaluated to:

AS/NZS 1260: 2009 – PVC-U Pipes and fittings for drain, waste and vent applications

The Ecoplas and Ausplastics Brand products certified to the above mentioned Standard complies with the requirement of Best Environmental Practice – PVC as per the relevant Australian Standard and Best Practice Guidelines for PVC in the Build Environment as per specified in the Green Building Council Literature Review and Best Practice Guidelines for the Life Cycle of PVC Building Product document. The Manufacturer's Technical Documentation have been reviewed and found to comply with the following:

- **Manufacture of PVC Resin**
- **Manufacture and end of life management of PVC products**
- **Use of PVC Recyclate in PVC products**

Any changes introduced to above requirements shall immediately be reported to ApprovalMark International in order to examine the validity of the certificate.
